

5/18/20

Good morning.

The last day of school is officially June 18<sup>th</sup> at Belfast Central. Students are expected to be working through the end of the school year. We are working on a system to collect materials from students, but the dates will be June 17 and 18. As of now our list of items to return includes:

- iPads, keyboards, and stylus
- School Calculators
- Library books
- Instruments (please keep the name tags on your instruments)
- Textbooks
- Math tools (i.e. rulers, protractors)

Meals will continue to be delivered until June 26. BCS will also have the summer meal program again this year, which is free for all children ages 18 and under. More information on how the summer food program will function will be sent out to families in the near future.

I know that remote learning is challenging for students and families. Please stay in close contact with teachers and administrators and let us know how we can help.

Have a great day!

Dr. Butler
